Disney Dream. New in 2011.

Created with all the imagination of Disney dream makers, the newest ship features spectacular innovations that will make dreams come true in brand-new ways.

Legendary Disney service, unique personal touches and elegant details all come together on this incredible vessel to create spaces and experiences designed to delight kids, teens, adults and families in enchantingly different ways.

Thrill to the first water coaster at sea, the AquaDuck! A wild, watery ride, this 765-foot-long, winding slide propels you up, down, around, through the forward funnel, splashing down four decks and even over the edge of the ship!
